D.O. N-19011(16)/3/2016-e-Panchayat

January 30, 2017

Dear *Principal Secretary/Secretary,*

This is in continuation with my DO letter of even number dated 07th June, 2016 regarding development of an online dashboard for uploading information on utilisation of grants under the Fourteenth Finance Commission (FFC) award. To facilitate better monitoring of the release and utilisation of funds under the FFC award by the Gram Panchayats (GPs), and to track the sector-wise expenditure incurred by the GPs, an online system (MIS) was previously provisioned under the PlanPlus application (<http://planningonline.gov.in/ffcReport.jsp>). The MIS dashboard has been acting as a one-stop shop, providing FFC centric information on the aforementioned (PlanPlus) page/ URL. On the basis of the data entered by the States, the following information/reports are already available on the dashboard:

- Formula for distribution of basic grant to the GPs
- Formula for distribution of performance grant to the GPs
- Date of receipt of Grant (basic and performance) by the States
- Date of release of Grant (basic and performance) to the GPs
- Number of GPs to whom funds were released
- Number of GPs where payment was delayed
- Delay in days (beyond allowable 15 days)
- Interest amount released, if any
- Sector-wise expenditure incurred by the GPs

2. In order to facilitate the State Governments to ensure efficient and effective implementation of the recommendations of the FFC, a separate report namely 'FFC Grants Utilisation Dashboard (GP-wise)' has now been provisioned under the FFC Dashboard (<http://planningonline.gov.in/ffcReport.jsp>). The report would provide a GP-wise account of receipt and utilisation of FFC grants for the various sectors identified under the FFC award. May I request you to ensure that the information is updated in this application/ MIS on a fortnightly basis, for monitoring by the State Government as well as by the Government of India?

With regards,

Yours sincerely,

A K Goyal
